

Dear colleagues,

This is the last issue of the long series of e-Photon/ONE and e-Photon/ONE+ Newsletters as it stands! In this issue you will find news about the last e-Photon/ONE+ plenary meeting in Turin together with the kick-off of BONE.

Hope you enjoy the last Newsletter issue
The editorial team

Joint e-Photon/ONE+ & BONE Plenary Meeting

Politecnico di Torino, January 28-30, 2008

- VALENTINO CASTLE (Castello del Valentino)
- viale Mattioli n. 39, 10125 Torino

Valentino Castle campus is situated quite near the main railway station of Porta Nuova. It is in the heart of Valentino Park with a splendid view of the Po River.

The meeting will be hosted by **Politecnico di Torino**. If you intend to attend the meeting please register yourself here:
